Sun Protection

All children should bring sun hats to nursery this term as we will be outside as much as possible. Please apply strong sun cream to your child each morning before coming to nursery.

Please remember to inform us by telephone (on nursery mobile-07530 055334- by 10am) if your child is absent from nursery for any reason. This is extremely important as if we are concerned and cannot reach you the police may be requested to complete a welfare check to ensure everything is OK.

**Dates for next term: Monday 9th September 2019 – Friday 13th December 2019
(Half term: 28th October-1st November)**

Early Years Free Entitlement (EYFE)

All children over 3 years old (term after 3) are entitled to 15 hours of free universal early years provision per week. We are offering this entitlement flexibly for 38 weeks of the year. If you take up more than 15 hours the extra time will be charged at £5 per hour.

We can be part of a 30 hour extended offer for eligible parents. See HMRC –Childcare Choices website for further details.

You will be provided with an invoice/contract showing exactly how the provision is offered. We are asking for a voluntary contribution of £2 per session. This will be shown on your invoice. This contribution will enable us to keep our staffing ratios and replenish equipment as needed.
